

Welcome to our stunning new colt!!!

This HUGE new colt arrived on April 23rd in the wee hours of the morning. This handsome fellow has stolen our hearts and all of those that have come to visit our new arrival. Canyon and Sissy have really out done themselves with this one!

It will be hard to let him go, but we must share these awesome foundation morgans with our other foundation morgan loving friends. Since we all know that our Morgans pick us, I'm wondering who this little guy will pick to be his own.... Contact Sharleen for sale information as soon as you can because he will go fast.....to his right person.

AUGUST UPDATE!!! Attached is Rex's picture at three months old. This substantial young colt is being offered FOR SALE. He is very friendly, handled daily and has been weaned and is ready to go. Please email me privately for additional pictures or video. Please see our for sale page for additional information.
